SWA 27th Juried Art Exhibition

Juror's Statement

Through the years, I have judged hundreds of shows and I felt honored to judge a high caliber show. When it came to select the winners, this was no easy task because of the high quality of art work. In my opinion, every artist represented in this show should feel like an award winner just for having their painting in a great show like this one.
Joseph Fettingis, NWS

Chairperson's Statement

What an honor to have been associated with this year's show which is so full of beautiful and technically excellent paintings. Working with juror Joe Fettingis was an absolute delight. He has an acute and sensitive eye for quality. Each painting's jewel-like colors seem to glow here in this lovely library atrium gallery. My thanks to Joe, the Fort Worth Library, and all our artists and many hard working volunteers for making this show such a great success.
